

LGA Annual Report

Summary

1. *This report outlines the format and content of the LGA Annual Report. Copies of the Annual Report will be available at the meeting.*

Recommendations

2. *That the General Assembly receives the Annual Report.*

Background

3. *The LGA annual report is about highlighting the work of the LGA over the past year - setting out our achievements and looking towards the challenges ahead.*

4. *As well as focussing on the major outcomes of the past 12 months, the report will give an overview of the work of LGA boards, political groups and central bodies, providing contact details for each. It will also outline LGA products for member councils – from briefings and bulletins to conferences and campaigns – and point to key surrounding LGA publications such as the business plan, independent commission report and prospectus.*

5. *We have worked with Wychavon District Council in producing this document. Having won many plaudits for its fresh and bright approach to effective resident communications, the LGA has looked to give our annual report “the Wychavon treatment”.*
