Guidance notes for members and visitors Layden House, 76-86 Turnmill Street, London, EC1M 5LG

Please read these notes for your own safety and that of all visitors, staff and tenants.

Welcome!

Layden House is located directly opposite the Turnmill Street entrance to Farringdon station, which is served by the Circle, Hammersmith & City, and Metropolitan lines as well as the Thameslink national rail route.

Security

Layden House has a swipe card access system meaning that a swipe enabled security passes will be required to access the lifts and floors 1-5.

Most LGA governance structure meetings will take place on the **ground floor** of Layden House which is open access and therefore does not require a swipe enabled security pass. **Access** to the rest of the building (floors 1-5) is via swipe enabled security passes.

When you visit Layden House, please show your Local Government House security pass to reception and they will provide you with a temporary pass which will allow you access to floors 1 5 if required. Please don't forget to sign out at reception and return your security pass when you depart.

If you do not have a LGH Security Pass, please email <u>member services</u> with your name and a recent photo and a pass will be made for you. You can pick this up from the Layden House reception desk on your next visit.

Fire instructions

In the event of the fire alarm sounding, vacate the building immediately via the nearest fire exit onto Turnmill Street and take the next turning on your left – Benjamin Street to St John's Gardens. DO NOT USE THE LIFTS.

DO NOT STOP TO COLLECT PERSONAL BELONGINGS.

DO NOT RE-ENTER BUILDING UNTIL AUTHORISED TO DO SO.

Soft Seating Area

There is a small soft seating area on Floor 2 which will also operate as an 'Open Council' area for visiting members and officers from member councils. Please note however that unlike Open Council, this area does not have tea and coffee facilities, nor access to computers.

Toilets

There are accessible toilets on the Ground Floor, 2nd and 4th floors.

Accessibility

If you have special access needs, please let the meeting contact know in advance and we will do our best to make suitable arrangements to meet your requirements.

Parking is available at the rear of the building for Blue Badge holders, accessed via the Turks Head Yard, North underpass. Disabled WCs are situated on the ground and 4th floors. An induction loop system is available in the 5th floor conference venue. For further information please contact the Facilities Management Helpdesk on 020 7664 3015.

Guest WiFi in Layden House

WiFi is available in Layden House for visitors. It can be accessed by enabling "Wireless Network Connection" on your computer and connecting to LGA-Free-WiFi. You will then need to register,

either by completing a form or through your Facebook or Twitter account (if you have one). You only need to register the first time you log on.

Further help

Please speak either to staff at the main reception on the ground floor, if you require any further help or information. You can find the LGA website at www.local.gov.uk

Why have the LGA's Headquarters moved?

The LGA has temporarily relocated from Local Government House (LGH) in Smith Square to Layden House in Farringdon, effective from Monday 31 October 2016. This is to allow extensive refurbishment work to be carried out to LGH.

The refurbishment works will see the ground floor conference centre and all meeting rooms fully refurbished. Floors 1, 2 and 3 will be upgraded and released for commercial letting to enable the LGA to maximise the income from this building as part of its drive for financial sustainability. A new and larger Open Council will be located on the seventh floor. The refurbishment is expected to last for nine months and we expect to be back in LGH by October 2017.

We appreciate your understanding and flexibility during this time.
