All visitors (who do not have an LGA ID badge), are requested to report to the Reception desk where they will be asked to sign in and will be given a visitor's badge to be worn at all times whilst in the building.

18 Smith Square has a swipe card access system meaning that security passes will be required to access all floors. Most LGA governance structure meetings will take place on the **ground floor, 7th floor and 8th floor** of 18 Smith Square.

Please don't forget to sign out at reception and return your security pass when you depart.

Toilets

Unisex toilet facilities are available on every floor of 18 Smith Square. Accessible toilets are also available on all floors.

Accessibility

If you have special access needs, please let the meeting contact know in advance and we will do our best to make suitable arrangements to meet your requirements.

Every effort has been made to make the building as accessible as possible for people with disabilities. Induction loop systems have been installed in the larger meeting rooms and at the main reception. There is a parking space for blue badge holders outside the Smith Square entrance and two more blue badge holders' spaces in Dean Stanley Street to the side of the building. There is also a wheelchair lift at the main entrance. For further information please contact the Facilities Management Helpdesk on 020 7664 3015.

Guest WiFi in 18 Smith Square

WiFi is available in 18 Smith Square for visitors. It can be accessed by enabling “Wireless Network Connection” on your computer and connecting to LGA-Free-WiFi. You will then need to register, either by completing a form or through your Facebook or Twitter account (if you have one). You only need to register the first time you log on.

The LGA also offers the Govroam network, a Wi-Fi network which gives Members seamless roaming internet access across multiple public-sector locations if you have also signed up for this service. This network is enabled throughout our Westminster building and allows Members and staff from other authorities who are part of the Govroam network to seamlessly connect to our Wi-Fi.
