

LGA Business Plan for 2019 – 2022

Purpose of report

For information.

Summary

The LGA business plan sets out how the Local Government Association (LGA) will continue to support and be an advocate for councils in the next three years. Through our #CouncilsCan campaign we will make the case for a new settlement for English local government that gives councils and councillors the powers, freedoms, funding and certainty to transform lives and local economies, respond to climate change and lead the sustainable development agenda.

The LGA Business Plan for 2019-22 is attached as **Appendix A**

Recommendation

Members are asked to note the new Business Plan and reflect on how the SSCB work programmes link to it.
