Key Performance and Improvement Challenges for Adult Social Care

Presentation for Community Well-being
Board 7.3.07

Trish O'Flynn

promoting better local government

Four main challenges

- New national targets and local indicators
- Delivery through the new LAA framework
- Improvement priorities
- Dealing with poor performing authorities

New targets and indicators

- 30-40 national outcomes in Departmental PSAs
- 200 indicators to be reported locally
- More focus needed on wider wellbeing – housing, leisure, access to services
- Voice of users and residents

Dealing with poor performance

- Monitor, support and challenge
- Direct engagement by Board
- Analysis of problems, risk based approach
- Identify issues for National Improvement Strategy
