Terms of Reference

1. *The Community Well-being Board will have responsibility for LGA activity in the areas of the well-being of adults, including life long learning, training, health and social care and for the well-being of all people in the areas of social inclusion, equalities, asylum and immigration.*

In that regard it will:

- (i) *provide strategic direction for LGA policy development in the areas of its responsibility, working in conjunction with its member task groups, and taking into account linkages with other policy areas where appropriate;*
 - (ii) *undertake either collectively or individually representational and lobbying activities on behalf of the LGA and be responsible collectively for the dissemination of policy through public statements in its area of responsibility;*
 - (iii) *contribute to the achievement of the Association's overall policy priorities and objectives, as identified in its business plan;*
 - (iv) *agree and monitor the project plans of the member task groups in its area of responsibility; and commission new ones, with the agreement of the LGA Executive;*
 - (v) *make an appropriate contribution to the income generation of the Association;*
 - (vi) *report significant new policy developments to the LGA Executive.*
2. *The Board may appoint members to relevant outside bodies in accordance with the guidance in the Political Conventions (paragraph 5 (i)).*
3. *The Board may allocate responsibility to one or more of its members for particular areas within its responsibility.*
