

Introduction to the members of the Community Wellbeing team at the LGA

Anne McDonald is the Programme Director. She leads the Fair care campaign team and the LGA's contribution to transforming social care.

Contact: Anne.McDonald@lga.gov.uk or 0207 664 3259

Paul Ogden is the Community Wellbeing Boards Business Manager and is responsible for managing the business and resources of the Community Wellbeing Board, relationship management with external stakeholders and the work that falls outside specific board priorities.

Contact: paul.ogden@lga.gov.uk or 02076643277

Trish O'Flynn is a Senior Policy Consultant and leads on: performance, improvement and inspection; carers; information and advice; Health and Social Care Act 2008 and is part of the Fair Care campaign team. Trish is also the LGA's lead on emergency planning and the LGA's role in national emergencies.

Contact: trish.oflynn@lga.gov.uk or 020 7664 3129

Emma Jenkins is a Policy Consultant and works on the later life and personalisation agendas. She also covers benefits for adults and work on asylum and immigration.

Contact: emma.jenkins:@lga.gov.uk or 02076643046

Matt Hibberd is a Policy Consultant and leads on citizen involvement in health and social care with a focus on new Local Involvement Network (LINK) arrangements. He also supports the work of the LGA's Fair Care Campaign, which is focused on reforming the system of adult social care. This involves evidencing the problems with the current system and helping build consensus for an alternative model for the future.

Contact: matthew.hibberd@lga.gov.uk or 020 7664 3160

Sarah Feltham-Cheshire is the Member Support Officer for the team. She liaises with the elected members on the Community Well-being Board and other forums.

Contact: Sarah.FelthamCheshire@lga.gov.uk or 020 7664 3025

As project support officer, **Marinda Oosthuizen** provides support to Community Wellbeing colleagues on a range of projects across the adult social care agenda.

Contact: Marinda.Oosthuizen@lga.gov.uk or 020 7664 3078
