Subject: Papers and actions for Joint Board Meeting - 24 July
Attachments: Children's health update report to joint board July 2012 FINAL.doc; Appendix C.pdf; 24 July agenda - Joint Board.doc

Dear Lead members of the Community Wellbeing and Children and Young People's boards,

Please find attached the Agenda for the joint board meeting next week. The meeting will provide an update on the children's health work programme, as well as an opportunity for you to hear and discuss the issues and lastly to sign off the new work programme for children's health so that we can support councils as they take up their new public health responsibilities.

The meeting will be from 2pm – 3pm approximately. The location of this meeting has changed and will be the Rathbone Room, 7.1, 7th Floor at Local Government House.

If you would like to join the conference via telephone, the number is 020 7947 885, and the conference access code is 010497.

Should you not already have confirmed your attendance, please reply to myself at your earliest convenience.

Please contact my colleague Sam Ramanah (Samantha.ramanah@local.gov.uk) should you have any queries regarding the content of the agenda.

Kind regards

Liam
