Dear Mr Jopling,

On behalf of the LGA's Environment Board members, LGA Officers and myself, I would like to take this opportunity to thank you and your colleague, Cllr Roger Arthur, for your attendance and presentation at the meeting in Chineham last week.

I would like to write that members found your presentation and subsequent discussions most informative and were very interested to hear about Horsham District Council's own innovations and experiences in reducing waste going to landfill.

It was a pleasure to meet you both on this occasion.

Yours sincerely,

Cllr Mike Haines
Deputy Chair, Environment Board
