Dear Mr Johnson,

On behalf of the LGA's Environment Board members, LGA Officers and myself, I would like to take this opportunity to thank you and your colleagues at Integra North Energy Recovery Facility for helping to organise the meeting in Chineham last week.

Members found the presentation and subsequent discussions to be most informative and were very interested to hear about the Facility's innovative design and techniques as an alternative for reducing waste to landfill. May I also take this opportunity to express our thanks for the practical arrangements for the day, including facilitation of the meeting itself – the lunch was most enjoyable!

It was a pleasure to meet your colleagues on this occasion – please do pass on our thanks to all involved.

Yours sincerely,

Cllr Mike Haines
Deputy Chair, Environment Board

Cc: Cllr Gary Porter, Chairman, LGA Environment Board
