

CHINEHAM ENERGY RECOVERY FACILITY

From the M3

Leave M3 at junction 6 and follow directions for the A339 Ring Road Basingstoke.

At the Black Dan roundabout proceed straight over following the A339.

After one mile take the slip road on the left signposted A33 up to the roundabout.

Take the 4th exit signposted A33 Reading.

Follow signs for the A33 at the next two roundabouts.

At the second set of traffic lights turn right into Whitmarsh Lane.

From the M4

Leave the M4 at junction 11 for the A33 Basingstoke.

Follow the A33 for approximately 10.5 miles going across three roundabouts.

At the first set of permanent traffic lights turn left into Whitmarsh Lane.

Proceed across cattle grid and turn right at the second entrance into the main car park situated behind a closed steel gate.

Use the intercom system to gain access to the car park.
