

Item 10

Update on Public Health Finance Settlement 2013/14 and 2014/15

Purpose of report

For noting and discussion.

Summary

The attached on the day briefing (**Appendix A**) gives the LGA's view on the public health funding settlement announced on 10 January 2013. A breakdown of funding for all local authorities can be found at **Appendix B** and the LGA's press statement can be found in **Appendix C**.

Public health spending in 2013-14 will be set at £2.66 billion and in 2014-15 will be £2.79 billion. This is an increase on the Department of Health's initial baseline estimates which were £2.2 billion for 2013/14.

Recommendation

Members are asked to note the LGA briefing and press statement.
