

## Local Area Agreement priorities for FSMC members

Following discussion at the FSMC meeting on 12 May, members asked for a list of the top ten indicators in LAAs to be circulated.

On 30 June Hazel Blears signed off all 150 Local Area Agreements. The following shows the top twenty priorities aggregated nationally. If you want to know more about priorities chosen by different areas, there is a new website which contains this information.

The <http://www.localpriorities.communities.gov.uk/>

<b>Top 20 priorities across England:</b>	
<b>Name of priority</b>	<b>Number of local areas choosing priority (out of 150)</b>
16 to 18 year olds who are not in education, employment or training (NEET)	115
Under 18 conception rate	106
Net additional homes provided	104
Number of affordable homes delivered (gross)	102
Per capita reduction in CO2 emissions in the LA area	100
Obesity among primary school age children in Year 6	99
Serious acquisitive crime rate	98
Proportion of population aged 19-64 for males and 19-59 for females qualified to at least Level 2 or higher	95
Stopping smoking	89
per cent of people who believe people from different backgrounds get on well together in their local area	87
All-age all cause mortality rate	86
per cent of people who feel they can influence decisions in their locality	85
Re-offending rate of prolific and other priority offenders	83
Assault with injury crime rate	82
Social Care clients receiving Self Directed Support per 100,000 population	81
Adult participation in sport and active recreation	80
Carers receiving needs assessment or review and a specific carer's service, or advice and information	80
Young people's participation in positive activities	77
New business registration rate	76
Repeat incidents of domestic violence	75

You may be interested to note that:

Arson incidents (NI 33) has been selected as a target in the LAA by 16 areas.

The number of primary fires and related fatalities and non-fatal casualties, excluding precautionary checks (NI 49) has been selected as a target in the LAA by 13 areas.

More information about LAA targets can be found on the IDeA website in a file called 'LAA tracker' that gives access to a matrix of all the targets and who has selected them.
