

The Role and Financing of Local Government

Summary

1. *An update on developments on the Inquiry into the role and financing of local government, chaired by Sir Michael Lyons.*
2. *Sir Michael will address the General Assembly, which will provide delegates with an opportunity to debate with him on the role and financing of local government. The LGA is working on a formal submission to the Inquiry.*
3. *It is also possible that Sir Michael may issue an interim report in advance of the General Assembly meeting. If that is the case, efforts will be made to have copies available for members before the debate.*
