

Building a Civil Society

Summary

There is a high profile national political debate about “Big Society”. Officers will cover common ground and language as well as the areas of disagreement in order to inform a policy and improvement offer for the sector.

Rob Whiteman, Managing Director, LGID, will present this item.

Recommendations

That the Leadership Board receives a presentation and discusses building a civil society.

Action

Officers to take forward in accordance with the outcome of the Board’s discussion.
