## Appointments Independent of the Board Process

### 1. Workforce Outside Body Appointments

The Conservative, Liberal Democrat groups have appointed one 'core member' each (\*). Labour has nominated a lead member (\*). The core member will sit on the three main employer bodies: NEOST; Local Government Services; Fire.

Seats have been calculated in accordance with the national picture following the 2012 elections:

Conservative Group – 43%    Labour Group – 36%    Liberal Democrat Group – 14%    Independent Group – 7%

**Unless stated otherwise, a political group with at least one seat on a particular body is entitled to appoint a substitute to that body in addition to the members.**
