Members and Substitutes on the Safer Communities Board

7 September 2004

Dear Councillor

Safer Communities Board

Please find **enclosed** the agenda for the meeting of the Safer Communities Board on 13 September 2004. The agenda for first meeting of each Board has been relatively standardised as there are certain discussions which need to be held before the Board can move forward.

However, also **enclosed** with this agenda are two separate reports which colleagues at LACORS felt were significant enough for Members to consider once the formal agenda for the meeting has been concluded.

I would be grateful if you could bring these papers to the meeting next Monday.

Yours Faithfully,

Clive Grimshaw
