Accessibility

If you have special access needs, please let the meeting contact know in advance and we will do our best to make suitable arrangements to meet your requirements.

Every effort has been made to make the building as accessible as possible for people with disabilities. Induction loop systems have been installed in the larger meeting rooms and at the main reception. There is a parking space for blue badge holders outside the Smith Square entrance and two more blue badge holders' spaces in Dean Stanley Street to the side of the building. You will then need to register, either by completing a form or through your Facebook or Twitter account (if you have one). You only need to register the first time you log on.

The LGA also offers the Govroam network, a Wi-Fi network which gives Members seamless roaming internet access across multiple public-sector locations if you have also signed up for this service. This network is enabled throughout our Westminster building and allows Members and staff from other authorities who are part of the Govroam network to seamlessly connect to our Wi-Fi.
