

Business plan 2019-22 - 2020 review and update

Purpose of report

For information.

Summary

In October 2019, following a series of consultations and discussions, the LGA Board approved a new 3-year [business](#) plan, built around the United Nations sustainable development goals and comprising:

- six policy priorities with supporting targets
- a Supporting Councils priority with associated improvement targets and
- our internal/operational plan

Whilst the six policy priorities agreed at the time continue to reflect the sector's priorities, LGA Board resolved at their September meeting to add one additional priority – "*Narrowing inequalities and protecting communities*" – to reflect events over the past 8 months and the range of actions arising from them.

The business plan has now been revised and updated to include the additional priority and is attached at **Appendix 1**. It will be published as an interactive PDF with the design as in the current plan.

Recommendation

That the Fire Services Management Committee note the 2020/21 update of the 3-year business plan as the basis for work programmes over the coming months.

Actions

The updated plan will be published on the LGA website
