

Corporate Peer Challenge Programme

Purpose of report

For information.

Summary

The oral update will highlight the key themes and issues emerging from Corporate Peer Challenges delivered in 2021, including where councils are performing well and the shared challenges they face. The themes and issues identified in this update are drawn from reports by programme managers as well as Corporate Peer Challenge Reports and action plans.

Note: The LGA's Corporate Peer Challenge programme was able to restart July 2021, following the easing of COVID-19 restrictions, which allowed face to face support to resume.

Equality, Diversity and Inclusion Considerations

All Corporate Peer Challenges consider equalities, diversity and inclusion as part of the five core elements. Guidance for corporate peer challenges has been revised to assist peer teams consider how councils address equalities, diversity and inclusion issues.

Recommendations

Members to consider themes and issues raised during the update.

Actions

Members to discuss and note.
