A People and Places Board for the LGA

The People and Places Board provides a forum for local authorities that are not metropolitan to debate economic growth and public service transformation in their areas.

Remit

The People and Places Board brings together senior and authoritative elected members from non-metropolitan authorities (county, district/borough, and non-metropolitan unitary councils).

The role of the Board is to develop greater clarity on the role of non-metropolitan authorities in enabling economic growth for the long-term benefit of residents, and on how devolution and transformation of public services can enable that. Its remit is to consider how planning and infrastructure provision, publicly-funded skills and employment programmes, and housing might be better-deployed in a non-metropolitan setting to drive growth, and how people services and health and care integration, together with greater use of pooled funding, might help to drive transformation in services.
